Thank You – for your continued support of the Food Banks and East End Women. All of your contributions are fully appreciated.

CREATION - a final snippet from a Letter from the Bishops of England and Wales:

We cannot leave the healing of our common home and the wellbeing and care of our brothers and sisters merely to a response from industry and governments. Our own local concern and action is necessary and has far-reaching consequences. We all have a part to play, each and every one of us, in the routines, choices and decisions of our everyday lives and our aspirations for the future. The actions of parishes, families, schools, and individuals will have a significant impact on our efforts to restore our common home. There are now many resources, freely available, to advise us on our choice of food, saving of water and electricity, suggestions about travel, waste, and re-use. These are measures that everyone can employ, in some degree, with minimal inconvenience and change. They are effective ways in which we can each reaffirm our personal vocation to be stewards of creation.
