Healthy Planet, Healthy People Petition

SEASON OF CREATION

In 2021 We have an opportunity like no other:

At the UN Biodiversity Conference (COP15) in October, world leaders can set meaningful targets to protect creation.

In November, at the 26th UN Climate Change Conference (COP26), countries will announce their plans to meet the goals of the Paris agreement.

Ahead of those meetings, it is our responsibility as Catholics to lift up the voices of the most vulnerable and advocate on their behalf. We must act now.

Here's a link for the *laudato si* website which gives people 5 reasons to sign the petition

Extraordinary Ministers of Communion

Weekend 2nd / 3rd October There are many ways in which parishioners have helped with Holy Communion in the past. Many of our housebound parishioners find Communion to the Sick the spiritual highlight of their week. In churches where

priests and deacons need support in distributing Holy Communion this ministry has been a tremendous benefit in the past. At our Sunday Mass we give thanks for these ministers and we ask them to commit themselves again to this work.
