Parish Visiting — many people before and during COVID have found that they really appreciated a visit and a chat, I think this is especially true for those who are lonely, for what ever reason. I have produced some visiting cards for people to fill in and request a visit from myself and parishioners (who have got DBS clearance). Please take a card and give it to a parishioner who you may know would love a visit and a chat, especially those who have not been able to get back to church.

n.b. the person asking for a visit must sign the card as part of our Data Protection and Safeguarding good practise.

Thank you for you help in this venture. God Bless, Fr Shaun

Caring for Our Common Home

As part of our continued commitment to caring for our planet; we now have a small recycling point in the church porch.

We're collecting tablet/capsule medicine blister packs.

You can't put these in your recycling bin but Superdrug will recycle them. Just bring EMPTY blister packs along before mass and put them in the labelled box in the counter.
